

Resources to assist with the study of Korea

There are a number of resources on Korea available for borrowing from the Education and Training Library. Browsing and ordering online is available at <http://www.det.nt.gov.au/teachers-educators/curriculum-ntbos/support-materials/libraries-resources>.

Snapshots of Asia (Korea Big Book and Teachers Guide)

This book is an excellent way of introducing Korea to lower and middle primary students. It includes full-colour photographs, fact files, board games and stories of daily life. These capture the distinctive physical and cultural aspects of living in Korea. The accompanying teacher guide contains classroom activities designed to develop reading, writing and listening skills, and blackline masters. Available from the NT Education and Training Library

Asia Education Foundation

The Asia Education Foundation has a number of Korea related online resources available for use across all Key Learning Areas. These resources can be found at <http://www.asiaeducation.edu.au>.

Go Korea

Go Korea is a website designed for teachers and students interested in learning more about contemporary Korea. Students can investigate interesting aspects of past and present life and culture in this vibrant and changing society.

Korea.net

This website gives up to date information on Korea. It includes information on geography, people, national symbols, current issues, events, tourism and sport.

<http://www.korea.net/>

Koreana

An art and culture journal produced quarterly by the Korea Foundation. The hard copies of this journal can be found in the Education and Training Library.

<http://www.koreana.or.kr>

Time Lapse Map

The site shows a time-lapse map depicting the major historical events in Korean history.

Click Korea

Developed by the Korea Foundation, this site has detailed information about Korean traditional arts and culture. It includes a long list of essays on a wide range of cultural topics and a range of downloadable resources.

<http://www.clickkorea.org/>

Global Education

This website provides teachers with resources that support the integration of a global perspective across the curriculum. It provides teachers with country profiles, information on current global issues, teaching tools and links to global projects online. The website can be found at <http://www.globaleducation.edna.edu.au/globaled/page1.html>.
